2. Lessors complete:

- Taxable Property Information, pages 4 and 5.
- Lessor's Report, page 6.

LESSORS NOTE: Your contractual arrangement (i.e., conditional sale contract) with the lessee does not negate your statutory obligation to declare your leased property to the Assessor.

Filing Requirements:

1. The Personal Property Declaration must be filed annually on or before November 1st (CGS §12-41).

2. All Declarations must be signed and sworn to on page 8.

Taxable Property Information:

1. Commercial and cost information is **not** open to public inspection.
2. All data reported should be:
 - a. Actual acquisition costs including any additional charges for transportation and installation. These costs, less the standard depreciation as shown on the form will determine the net depreciated value.
 - b. Include all assets that may have been fully depreciated, written off, or charged to expense but are still owned.
3. Reports are to be filed on an assessment year basis of October 1. Acquisitions between October 2 and December 31 apply to the new year. (i.e. acquisition made November 13, 2001 is reported in the year ending October 1, 2002).
4. Computerized filings are acceptable as long as all information is reported in the prescribed format.
5. **NOTE:** In each table on pages 4 and 5, there are examples of what items should be declared in each table.

Disposal/Sale or Transfer of Property:

1. If you disposed of or transferred a portion of the property included in last year's filing, complete the Reconciliation of Fixed Assets and the Detailed Listing of Disposed Assets on page 7.
2. If you no longer own the business noted on page 1, you do not need to complete this declaration. You **must however** provide information related to the new owner and/or the date the business ceased (page 7). Otherwise, the Assessor must assume that you still own taxable personal property and have failed to declare it. Follow the instructions on page 7.

A Penalty Of 25% is Applied:

1. When a declaration is not timely filed or a declaration is not signed and sworn to, a 25% penalty is applied to the total assessment.
2. When declarations are submitted after November 1 and an extension has not been granted (see Extensions below), a 25% penalty is applied to the total assessment. Mailed declarations must have a U.S. postmark of November 1 or before.
3. When an extension is granted (see Extensions below) and the declaration is not filed by the extension deadline, a 25% penalty is applied to the total assessment.
4. When omitted property is discovered, the 25% penalty is applied to the difference in the assessed value as determined by the results of the discovery, and the assessment as determined by the originally filed declaration.
5. Declarations filed with "same as last year" are **INSUFFICIENT** and shall be considered an incomplete declaration subject to a 25% penalty.
6. A Personal Property Declaration not filed will result in a value determined by the Assessor, plus a 25% penalty will be applied to the total assessment.

Exemptions:

1. On page 3, check the box next to the exemption(s) you are claiming.
2. Some exemptions require an additional application in order to receive that exemption. Request the form number (if any, noted on page 3) from the Assessor's Office and file same.
3. The extension to file the Personal Property Declaration, if granted, does not apply to all required exemption applications. Check with the Assessor's Office.

Signature Requirements:

1. The owner(s) must sign the declaration on page 8.
2. The owner's agent may sign the declaration. However, the declaration must then be duly sworn to and notarized.
3. Corporate officers signing for their corporations must have the returns properly sworn to and notarized; or provide the Assessor with a statement bearing the corporate seal and signed by the corporate secretary setting out the office held by the signer of the declaration and dates office held.

Extension:

The Assessor **may** grant a filing extension for **good cause** (CGS §12-42). If an extension is needed, contact the Assessor **in writing** prior to **November 1** stating the reason for the extension. The decision to grant an extension is the sole responsibility of the Assessor. There is no appeal.

Audit:

The Assessor is authorized to audit declarations, within 3 years of the date of the required filing. Substantial penalties are applicable if such an audit reveals property not declared as required by law (CGS §12-53).
